Comments	<input type="text" value="1. Hanwell is a Conservation Area; there is significant negative visual impact for conservation designated villages. These villages are an important part of the community's rural heritage and should be kept rural.

2. The proposed development will have a negative impact on landscape character which is not backed up by national or local planning policy.

3. The proposed development will damage Hanwell's individual identity; there is no planning policy to justify such damage.

4. The proposed development would create a ribbon development on both sides of the B4100, merging rural and urban areas."/>
