**Date of Decision: 11th August 2023**

## REASONS FOR REFUSAL

1. Cherwell District Council is able to demonstrate a 5-year housing land supply meaning that the relevant development plan policies are up to date. The application site is located within open countryside and is not allocated for development. The proposed development by virtue of its visually prominent position, is such that it would breach Banbury's contained environmental setting, giving rise to a direct risk of coalescence between Banbury and Hanwell, causing undue visual intrusion into the open countryside, fundamentally changing the undeveloped characteristics of these parcels of open arable land, creating a prominent urban built form, inconsistent with the local character, to the detriment of the rural landscape and the identity and individuality of Hanwell village, contrary to Policies PSD1 and BSC1 of the CLP 2031 Part 1, saved Policies C8 and H18 of the CLP 1996 and Government guidance within the National Planning Policy Framework.
2. The proposed development is considered to erode the open arable landscape which provides clear separation between Banbury and Hanwell and forms part of the surroundings within which the setting of Hanwell Conservation Area, St Peter's Church (Listed Building Grade I) and Hanwell Castle (Listed Building Grade II\*) are experienced, to the detriment of and causing harm (less than substantial) to the setting of these designated heritage assets, contrary to policy ESD15 of the CLP 2031 Part 1 and Government guidance within the National Planning Policy Framework.
3. No evidence base has been provided to attempt to demonstrate whether the loss of this 'very good' and 'good' quality parcels of agricultural land could be avoided. The proposals thereby fail to satisfy the prescribed criteria under Policy Villages 2 of the CLP 2031 Part 1 and the requirements of para. 174 of the NPPF.
4. In the absence of a satisfactory unilateral undertaking or any other form of Section 106 legal agreement, the Local Planning Authority is not satisfied that the proposed development provides for appropriate infrastructure contributions required as a result of the development, and necessary to make the impacts of the development acceptable in planning terms. As such, the proposal is contrary to Policy INF1 of the Cherwell Local Plan 2011-2031, CDC's Developer Contributions SPD 2018 and Government guidance within the National Planning Policy Framework.

## STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, Cherwell Council has given consideration to whether amendments or additional information would overcome its concerns with the application, but unfortunately it has concluded that it would not be possible to resolve those concerns within the scope and timescales of this application. Cherwell Council has resolved that the application proposals do not amount to sustainable development and consent must accordingly be refused.

The case officer's report and recommendation in respect of this application is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>. The agenda, minutes and webcast recording of the Planning Committee meeting at which this application was determined are also available to view online at: <http://modgov.cherwell.gov.uk/ieListMeetings.aspx?CId=117&Year=0>

**NOTICE OF DECISION**  
**TOWN AND COUNTRY PLANNING ACT 1990**  
**(AS AMENDED)**

**NOTES TO THE APPLICANT**

**REFUSAL OF PERMISSION**

The Local Planning Authority has refused consent for the reasons set out in the schedule forming part of this notice of refusal. A further explanation of the reasons for the decision can be found in the planning officer's report, which can be viewed in Public Access via the council's web site.

If you wish to examine any of the development plans which set out the Local Planning Authority's policies and proposals for the development and use of land in its area, these are available for inspection on our website, or at the District Council offices, Bodicote House, Bodicote, during normal office hours.

**APPEALS TO THE SECRETARY OF STATE**

If you are aggrieved by the decision of the Local Planning Authority to refuse the application, you can appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then you must do so within six months of the date of this notice. Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel 0303 444 5000.**

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted permission or approval for the proposed development, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

**PURCHASE NOTICES**

If either the Local Planning Authority or the First Secretary of State refuses planning permission or approval for the development of land, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

**COMPENSATION**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
