Dear Mr Greig

Proposal: Discharge of Condition 38 (Flying Field Strategies) of 18/00825/HYBRID

Location: Heyford Park, Camp Road, Upper Heyford, Bicester

Waterway:

Thank you for your consultation relating to the discharge of conditions on a planning permission.

We are the charity who look after and bring to life 2000 miles of canals & rivers. Our waterways contribute to the health and wellbeing of local communities and economies, creating attractive and connected places to live, work, volunteer and spend leisure time. These historic, natural and cultural assets form part of the strategic and local green-blue infrastructure network, linking urban and rural communities as well as habitats. By caring for our waterways and promoting their use we believe we can improve the wellbeing of our nation. The Trust is a statutory consultee in the Development Management process.

The Trust has reviewed the application and has no objection to the discharge of condition 38.

Please do not hesitate to contact me with any queries you may have.

Yours sincerely,

Jane Hennell MRTPI
