Comments	<p>Although I would under normal circumstances agree about having a racetrack in Bicester Heritage I am concerned that its development will further impact the residents' overall well-being.</p> <p>As an example, the residents of the Garden Quarter suffer excess road congestion and noise from those participating in the regularly-scheduled motor events at Bicester Heritage. This issue is especially bad for those inhabiting the areas closer to the main access to the site on Buckingham Road and it would be fair that those affected could at least enjoy the show without having to buy the pertinent ticket.</p> <p>I then oppose the development of a race track on the grounds of Bicester Heritage for as long as the resident of the areas immediate to the area are not granted access on the event days.</p> <p>PS. The residents of The Parade already have to suffer from RAF marching band rehearsal's noise during night-times. We should be able to get some rest.</p>
