<b>Comments</b>	<input type="text" value="I have lived on the Garden Quarter for 10 years and I don't feel I have been adversely affected by the events at Bicester Heritage. This is a retrospective application so the use of the site is not changing. I think traffic to the site on large event days is well managed and the only noise is from aircraft and it is interesting to see what is in the air. There is a noise management plan in place which has been agreed with Cherwell District Council so I don't expect the noise from the track to increase in anyway. This is a good use of an historical site"/>
