Comments	<input type="text" value="I object to the above planning permission being granted on the grounds of greatly increased noise pollution, air pollution and traffic congestion to the roads around Caversfield and Bicester resulting from significant increases in non-local visiting traffic, noise, pollution and traffic of vehicles attending the racetrack. Increased traffic would also make it more difficult to use cycle and pedestrian lanes and public transport around Caversfield and Bicester due to large traffic volume. This would be highly detrimental to the local community and residents."/>
