Comments	<input type="text" value="The garden quarter and the surrounding areas are a lovely peaceful escape from the noise and agitation of everyday life. I believe if this planning permission gets approved then it is going to disrupt the peace in the area. Bicester Heritage currently has different events throughout the year that creates noise and traffic, but that is understandable as they are a business - however I do not feel this needs to be added to with even more events and vehicles in the area."/>
