Comments	<p>We are a company onsite here at Bicester Heritage specialising in the sales of historic cars.</p> <p>We use the existing track extensively for business purposes. These include:</p> <ul style="list-style-type: none">- conducting safe test drives, away from the public roads- checking the safety of a historic car before venturing out onto the public road- photographing the car for sales purposes- working with journalists and magazines to photograph and test drive cars for media purposes.- creating video footage for social media purposes <p>No other location within the area offers such facilities that work so well for my business.</p> <p>Kind Regards,</p> <p>James Mitchell</p> <p>Managing Director Pendine Historic cars</p>
