Comments	<p>The test track facilities available at Bicester Heritage were a key reason for the relocation of our member organisation to Oxfordshire.</p> <p>We regularly use the venue to host member events, demonstrate vehicles and complete promotional activities.</p> <p>Recently we hosted a disabled driver scholarship event which provided the opportunity for disabled members to get behind the wheel and build their confidence to realise that with some adaptations to their vehicles they too could compete in grass roots motorsport events like anyone else.</p> <p>It is exactly these types of applications that are highly complementary to our occupation and Bicester Heritage.</p> <p>We fully support this application.</p> <p>Operations Director On behalf of Motorsport UK</p>
