<b>Comments</b>	<p>We are a company onsite here at Bicester Heritage manufacturing and selling craft beer.</p> <p>Supporting events on-site is key to our business operation and success. We support this planning application with the hope that the current family and car enthusiast events thrive onsite. The events held on site pull in a huge number of local residents and family along with attracting many families from further afield, often staying and support other local businesses as part of their visit. This wider national, and international, draw has been key to allowing our growth, in turn employing more local residents.</p> <p>Kind regards, Luke Roberts Director, The Wiggly Monkey Brewery</p>
