## SCHEDULE OF CONDITIONS

1. The development to which this permission relates shall be begun not later than the expiration of three years beginning with the date of this permission.

Reason – To comply with the provisions of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Except where otherwise stipulated by conditions attached to this permission, the development shall be carried out strictly in accordance with the application form and the following plans and documents:
  - 001 Rev A – Location Plan
  - 002 Rev A – Proposed Block Plan
  - 003 Rev A – Proposed Site Plan
  - 004 Rev B – Proposed Ground Floor Plan
  - 005 Rev A – Proposed First Floor Plan
  - 006 Rev A – Proposed Context Elevations
  - 007 Rev B – Proposed East Elevation
  - 008 Rev A – Proposed North Elevation
  - 009 Rev A – Proposed West Elevation I
  - 010 Rev A – Proposed West Elevation II
  - 011 Rev A – Proposed South Elevation
  - 012 Rev B – The Barn & Byre Proposed Floor Plan
  - 013 Rev A – The Barn & Byre Proposed Elevations I
  - 014 – The Barn & Byre Proposed Elevations II
  - 015 Rev A – Proposed Home Studio

Reason – For the avoidance of doubt, to ensure that the development is carried out only as approved by the Local Planning Authority and comply with Government guidance contained within the National Planning Policy Framework.

3. No development shall commence above slab level unless and until samples of the slate to be used externally in the construction of the roof of the new buildings hereby approved have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in strict accordance with the sample approved and shall be retained as such thereafter.

Reason – To ensure the satisfactory appearance of the completed development and to preserve the character and appearance of the area and designated heritage asset, to comply with Policy ESD15 of the Cherwell Local Plan 2011-2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

4. No development shall commence above slab level unless and until a schedule of all external materials including architectural detailing have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in strict accordance with the sample approved and shall be retained as such thereafter.

Reason – To ensure the satisfactory appearance of the completed development and to preserve the character and appearance of the area and designated heritage asset, to comply with Policy ESD15 of the Cherwell Local Plan 2011-2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

5. Prior to their installation in the development, full details of the doors and windows hereby approved, at a scale of 1:20 including a cross section, cill, lintel and recess detail and colour/finish, shall be submitted to and approved in writing by the Local Planning Authority. The doors and windows shall not be installed within the building other than in accordance with the approved details and shall be retained as such thereafter.

Reason – To ensure the satisfactory appearance of the completed development and to preserve the character and appearance of the area, to comply with Policy ESD15 of the Cherwell Local Plan

2011-2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

6. Prior to the first occupation of the development hereby approved, a landscaping scheme shall be submitted to and approved in writing by the Local Planning Authority. The scheme for landscaping the site shall include:-
- (a) details of the proposed tree and shrub planting including their species, number, sizes and positions, together with grass seeded/turfed areas,
  - (b) details of the existing trees and hedgerows to be retained as well as those to be felled, including existing and proposed soil levels at the base of each tree/hedgerow and the minimum distance between the base of the tree and the nearest edge of any excavation,
  - (c) details of the hard surface areas, including pavements, pedestrian areas, reduced-dig areas, crossing points and steps,
  - (d) details of boundary treatments.

The development shall be carried out in strict accordance with the approved landscaping scheme and the hard landscape elements shall be carried out prior to the first occupation/use of the development and shall be retained as such thereafter.

Reason – In the interests of the visual amenities of the area, to ensure the creation of a pleasant environment for the development and to comply with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

7. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in accordance with BS 4428:1989 Code of Practice for general landscape operations (excluding hard surfaces), or the most up to date and current British Standard, in the first planting and seeding seasons following the occupation of the building(s) or on the completion of the development, whichever is the sooner. Any trees, herbaceous planting and shrubs which, within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the current/next planting season with others of similar size and species.

Reason – In the interests of the visual amenities of the area, to ensure the creation of a pleasant environment for the development and to comply with Policy ESD15 of the Cherwell Local Plan 2011-2031 Part 1, saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

8. The development shall not be carried out other than in accordance with the Arboricultural Method Statement by Apical Arbor New Barn Farm AA AMS 01 (Dated December 2022). The tree protection measures and other recommendations set out in the said Arboricultural Statement shall be adhered to at all times. No development shall commence on site until the said tree protection measures have been put in place and this has been checked on site by the local planning authority. Suitably qualified arborists shall (i) monitor the development at regular intervals and (ii) submit monitoring reports to the local planning authority, the frequency of which (in the case of both (i) and (ii)) shall be agreed in writing by the local planning authority.

Reason – To ensure the protection of the trees and their root systems and to ensure that they are not adversely affected by the construction works, in the interests of the visual amenity of the area and to comply with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

9. If, during development, contamination not previously identified is found to be present at the site, no further development shall be carried out until full details of a remediation strategy detailing how the

unsuspected contamination shall be dealt with has been submitted to and approved in writing by the Local Planning Authority. Thereafter the remediation strategy shall be carried out in accordance with the approved details.

Reason – To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with saved Policy ENV12 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

10. The detached 'Barn and Byre" (drawing number 012 Rev B) and ancillary office and studio building (drawing number 015 Rev A) shown on the approved plans or any amendment to those plans shall be used solely for purposes ancillary to the enjoyment of the main dwelling and shall not be sold or leased separately from the main dwelling and at no time shall form a separate planning unit.

Reason – In the interests of sustainable development and because a new dwelling in this location would conflict with the Council's housing strategy and to comply with Policies BSC1, ESD1 and ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

11. Notwithstanding the provisions of Classes A to E (inc.) of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting or amending that order with or without modification) the approved dwelling shall not be extended, nor shall any structures be erected within the curtilage of the said dwelling, without the grant of further specific planning permission from the Local Planning Authority.

Reason – In the interests of the character and appearance of the area and in the interests of sustainable development and to comply with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

12. Where an offence under Regulation 41 of the Habitat and Species Regulations 2010 is likely to occur in respect of the development hereby approved, no works of site clearance, demolition or construction shall take place which are likely to impact on bats until a licence to affect such species has been granted in accordance with the aforementioned Regulations and a copy thereof has been submitted to the Local Planning Authority.

Reason – To ensure that the development does not cause harm to any protected species or their habitats in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

13. Prior to the commencement of the development hereby approved, including any demolition and any works of site clearance, a mitigation strategy for great crested newts, which shall include timing of works, exclusion fencing, the location and design of alternative ponds/habitats together with the timing of their provision, shall be submitted to and approved in writing by the Local Planning Authority. Thereafter, the mitigation works shall be carried out in accordance with the approved details.

Reason – To ensure that the development does not cause harm to any protected species or their habitats in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

14. Prior to any vegetation clearance, an action plan to demonstrate how to deal with *Crassula helmsii* should be provided to outline the level of removal, how this will be done and mitigation against harming protected species. Thereafter, any removal and mitigation works shall be carried out in accordance with the approved details.

Reason – To protect habitats of importance to biodiversity conservation from any loss or damage

in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

15. No development shall take place (including demolition, ground works, vegetation clearance) until a Construction Environmental Management Plan (CEMP: Biodiversity) has been submitted to and approved in writing by the Local Planning Authority. The CEMP: Biodiversity shall include as a minimum:
- a) Risk assessment of potentially damaging construction activities;
  - b) Identification of 'Biodiversity Protection Zones';
  - c) Practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during construction (may be provided as a set of method statements);
  - d) The location and timing of sensitive works to avoid harm to biodiversity features;
  - e) The times during construction when specialist ecologists need to be present on site to oversee works;
  - f) Responsible persons and lines of communication;
  - g) The role and responsibilities on site of an ecological clerk of works (ECoW) or similarly competent person;
  - h) Use of protective fences, exclusion barriers and warning signs

The approved CEMP: Biodiversity shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details, unless otherwise agreed in writing by the Local Planning Authority.

Reason – To protect habitats of importance to biodiversity conservation from any loss or damage in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

## DEVELOPMENT MONITORING

The Council has identified the development hereby approved as one that it considers appropriate to monitor during construction. We would therefore be grateful if you could let us know of your intention to start the development at least 14 days prior to the commencement of work on site. You can do this by emailing the Council on: [monitoring@cherwell-dc.gov.uk](mailto:monitoring@cherwell-dc.gov.uk) and providing us with the following information: application number; application address; and the date you intend to start the development. During the monitoring period, we will be assessing the development against the approved plans, and compliance with any conditions imposed on the permission. It is in your interest to comply with this request as it will help to avoid any unnecessary, and possibly expensive, corrective works.

## INFORMATIVE NOTES TO APPLICANT

1. **Conditions** – the applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £116 per request. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

**The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.**

2. **Material Samples** – please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context

with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

### **STATEMENT OF ENGAGEMENT**

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, the Council has worked positively, creatively and proactively to determine this application within the agreed timescales, having worked with the applicant/agent where necessary and possible within the scope of the application (as set on in the case officer's report) to resolve any concerns that have arisen, in the interests of achieving more appropriate and sustainable development proposals. Consent has been granted accordingly.

The case officer's report and recommendation in respect of this application provides a detailed assessment of the merits of the application when considered against current planning policy and guidance, including consideration of the issues raised by the comments received from consultees and members of the public. This report is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>.

## NOTICE OF DECISION

### TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

#### NOTES TO THE APPLICANT

##### TIME LIMITS FOR APPLICATIONS

By virtue of Sections 91-96 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004, planning permissions are subject to time limits. If a condition imposing a time limit has been expressly included as part of the permission, then that condition must be observed. Otherwise, one or other of the following time limits will apply:

**Where planning permission is given in outline** subject to a condition reserving certain matters for subsequent approval, application for approval of such matters reserved must be made not later than the expiration of 3 years beginning with the date of the outline planning permission and further the development to which the permission relates must be begun not later than the expiration of 2 years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last reserved matters to be approved.

**Where the planning permission is complete and is not in outline**, the development must be begun not later than the expiration of 3 years from the date on which permission was granted.

##### OTHER NECESSARY CONSENTS

This document only conveys permission or approval for the proposed development under Part III of the Town and Country Planning Act 1990 and you must also comply with all the bye-laws, regulations and statutory provisions in force in the District and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 (as amended), or other legislation.

In particular you are reminded of the following matters:

- The need in appropriate cases to obtain approval under the Building Regulations. **The Building Regulations may be applicable to this proposal. The Building Regulations may be applicable to this proposal. You are therefore advised to contact the District Council's Building Control Manager before starting work on site - Telephone: 01295 227006. Email: [Building.Control@Cherwell-dc.gov.uk](mailto:Building.Control@Cherwell-dc.gov.uk)**
- The need to obtain an appropriate Order if the proposal involves the stopping up or diversion of a public footpath.
- Data supplied by the National Radiological Protection Board (NRPB) and the British Geological Survey (BGS) suggests that the site of this application falls within an area which is potentially at risk from radon. This may require protective measures in order to comply with the Building Regulations if your consent relates to a new dwelling or house extension. Further advice on whether protective measures are required under the Building Regulations can be obtained by contacting the Building Control Manager on 01295 227006 or E-mail at [building.control@cherwell-dc.gov.uk](mailto:building.control@cherwell-dc.gov.uk)
- The need to obtain a separate "Listed Building Consent" for the demolition, alteration or extension of any listed building of architectural or historic interest from the Local Planning Authority.
- The need to make any appropriate arrangements under the Highways Act in respect of any works within the limits of a public highway. The address of the Highway Authority is Oxfordshire County Council, Speedwell House, Speedwell Street, Oxford, OX1 1NE.

- It is the responsibility of the applicant to ascertain whether their development affects any public right of way, highway or listed building.

## APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then;

- For **Householder** applications you must do so within **12 weeks** of the date of the decision
- For **Minor Commercial** applications you must do so within **12 weeks** of the date of the decision
- For **all other types** of planning applications, you must do so within **6 Months** of the date of the decision

### Unless;

- The decision on the application relates to the same or substantially the same land and the development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.
- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel (0303 444 5000) Or online at [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs)**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to them that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by them.

## PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State grants permission or approval for the development of land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the District Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

## COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Secretary of State on appeal or on reference of the application to them.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
