<b>Comments</b>	<input type="text" value="I support this application, It is well considered and It will help the Oxford housing crisis and the economic viability of the city, region and country. Lets not let nimby-ism stop our shared prosperity and opportunity for all. If anything, please increase the number of homes and density of the project. We are facing a economic and housing crisis, we need more radical solutions to solve it. The council should immediately approve this application"/>
