Subject: RE: Planning notification for application reference: 23/01316/F

Good afternoon

As this proposal is for 5 dwellings it is below the threshold for affordable housing and is not a rural exceptions scheme for affordable housing.

Whilst the proposal is aimed at over 55's, it doesn't appear to involve any sort of supported or affordable provision where we may wish to liaise with County teams who would have potential clients.

Strategic Housing therefore do not have any comments to make on this application.

Please let me know if you consider that our input is required for any reason and I will have another look at it.

Kind regards
Ewan
