<b>Comments</b>	<p>The Sibfords are very special villages and made thus by the heartfelt and huge involvement so many show for the community. Our local representatives would do well to listen to the views of local groups and the parish council rather than those whose main concern is profit.</p> <p>There are already new houses being built which affect the landscape.</p> <p>The possibility of creeping development in what is essentially a rural, wonderful, countryside cannot be good for the environment.</p> <p>I oppose this development.</p>
