**Cc:** Planning  
**Subject:** 23/01411/DISC Condition 17 of 21/02180/REM

23/01411/DISC Condition 17 of 21/02180/REM  
Biodiversity Offsetting scheme

The submitted certificate from Trust for Oxfordshire's Environment (TOE) is sufficient to discharge this condition as worded in that it demonstrates that the appropriate payments have been made and identifies the site for the offset.

TOE will need to supply us with the habitat enhancement details in due course.

Kind regards

Charlotte
