Comments	<p>Having read the reports provided Environmental Protection are satisfied that the following conditions can be discharged:</p> <p>Condition 13: Intrusive Investigation Condition 14: Scheme of Remediation</p> <p>I am unable to recommend discharge of conditions 15 & 16 for the following reasons: 15 - The verification report has not been provided and can only be provided once the remediation has taken place 16 - This is a standing condition regarding unexpected contamination during the construction phase (which hasn't taken place yet).</p> <p>Condition 39: Noise</p> <p>With regards to condition 49 I am happy for the condition to be discharged providing the working hours are changed to match those published on our website for noisy construction work, namely: Monday to Friday - 7:30am to 6:00pm Saturday - 8:00am to 12:30pm Sunday - No noisy work Public and Bank Holidays - No noisy work</p>
