from Environmental Health (CDC) environmentalProtection@CDC@Cherwell-DC.gov.uk

Address:
Environmental Health
Cherwell District Council
Bodicote House
White Post Road
Bodicote
Banbury
OX15 4AA

Comment type:
Comment

Comments:
Environmental Protection have the following comments to make on this discharge applications:

Condition 14 - Noise: Having read the noise report provided I am satisfied that the condition can be discharged for this phase provided the mitigation recommendations contained within it are followed.

I believe that at this stage this is the only condition for EP to comment on, please come back to me if I am wrong.

Kind Regards
Neil Whiston
