With apologies for the delay in getting this across to you, but please see the amended Strategy attached (there is a separate email thread seeking to firm up the dates).

I hope this is all that is required to allow formal discharge of the condition, but please do let us know if any questions.

Hello Nick and Jonathan

I've received the attached email and comments on the discharge of condition application 23/01677/DISC from OxLEP and Economic Growth. Subject to the addition of some indicative quarterly meeting dates being added (including the first ideally being prior to construction) it appears that I will be able to approve the Training and Apprenticeships Strategy.

Are you able to add the dates as requested and submit the updated version of the strategy please?

Best regards

Suzanne
