**Subject:** RE: Application 23/01941/F

Good Afternoon

From reviewing the following we have the following observations to make:

- It is taken that where required these works will be subject to a Building Regulations application and subsequent statutory consultation with the fire service, to ensure compliance with the functional requirements of The Building Regulations 2010.
- It is taken that hydrants will be installed to ensure provision of water for firefighting operations is available.

Kind Regards  
Sarah

**Sarah Mackay**
