Comments	<input type="text" value="The nature of this application will have manifold implications for Kidlington, Yarnton and other nearby villages. This immense development will eat up greenbelt and overwhelm the infrastructure in the area. Please listen to these concerns, made in detail already by Kidlington Development Watch (KDW) and Friends of Stratfield Brake (FOSB).

I ask simply that plans be reviewed so that the Sandy Lane crossing may be kept open. This is the only link between Kidlington and Yarnton; and to close it would be costly to the community feel between these places."/>
