<b>Comments</b>	<p>The application includes 155,000 square metres of floorspace for employment purposes. Will this accommodate more than 5,000 new jobs. In addition to the development at Oxford North (4,000 jobs) and Langford Lane Technology Park (over 1,000 jobs). Ten thousand plus new workers!! I don't believe these people can be accommodated in the 4,400 houses proposed in the local plan for our area won't that lead to further strains on our infrastructure. Where are the new doctors surgeries and schools, shouldn't they be the first priority?</p>
