| <b>Comments</b>           | <input type="text" value="I would like to support the above application. A football club is at the centre of any community and considering Oxfordshire has only one professional outfit, the long-term security of Oxford United is absolutely crucial. I grew up in Horspath and my love of football was developed in the club's community coaching schemes. Whether it is coaching, education or support of the vulnerable among many other things, thousands more will have a story like this that owes to Oxford United. I hope we can swiftly move to a point where detailed plans can be shared because the development of a world class facility for this and future generations sounds like an opportunity that Oxfordshire cannot afford to miss."/> |
