Kidlington parish Council is concerned about the highway access arrangements with this application and consequently objects.

23/02276/SCOP Stratfield Brake Motorcycle Track

The description of the site for this Scoping Opinion is misleading as it is a part pf the preliminary work associated with a planning application that will be submitted, at some future date, for a development that includes a football stadium. This should be re-advertised in order that the public is properly informed.

Kidlington Parish Council also requests a copy of the officer report associated with the determination of this Scoping Opinion.

Can someone please acknowledge this email please

Kind Regards
