Comments	<input type="text" value="I would like to object to the planning application by Manorwood Homes based on the fact that previous applications for housing in this area has been refused and a multitude of valid reasons noted by concerned residents. Why is this allowed yet again, to be put forward.

In short Kirtlington now has no village shop and a post office that is rarely open. A bus service that is severely reduced and threatened with closure .. The sewage system woefully inadequate....ridiculous volume of speeding traffic passing though the village each day. A new development in Bletchingdon is starting to make the two villages become one. Hundreds of homes have been built in Upper Heyford and not to mention Bicester so why do we persistently get these money making property developers squeezing in houses at every opportunity. There are better sites to be found in the Cherwell District."/>
