Comments	<p>Development is outside of settlement boundary . English villages are at risk of losing their village identity and character should this type of development go ahead.</p> <p>Previous applications rejected. What has changed? This application is an inappropriate form of development which does not in any way address the village needs.</p> <p>Current traffic levels are a concern hence the introduction of 20mph thru the village. Any problem on A34/M40 increases that problem because the 4095 is an obvious alternative diversion.</p>
