Dear Sir/Madam,

Ref: 23/02775/F Elm Tree Farm, Main Street, Wendlebury, OX25 2QA

Apologies, please could you use this email as my response to this application rather than the one I sent earlier this morning. The proposal site lies c. 200m west of the Scheduled monument of Alchester Roman Town, and recent archaeological works between Wendlebury and Bicester have shown that dense Roman activity extends well beyond the designated scheduled area. Would it be possible to have more information regarding the creation of the parking / overflow waiting areas, whether they will be stripped prior to the hardstanding being deposited? I would also like some more information, if available, on the depth the fence posts will be driven in to the ground for the mesh fence.

Kind regards,

*Victoria*
