MPLEMENTATION	AND MAINTENAN	CE GUIDELINES

### .0 GENERAL

- All plants shall conform to BS 3936 and be in accordance with the National Plant Specification. Supplying nurseries shall b the Landscape'.

- Where necessary treat existing weeds with a glyphosate based herbicide and allow a suitable period as recommended by the manufacturer for this to take effect. A general purpose slow release fertiliser at the rate of 75gm/m2 and Tree Planting and Mulching Compost at the rate of 20litres/m2 are to be incorporated into the top 150mm of topsoil during final cultivations. All extraneous matter such as plastic, wood, metal and stones greater than 50mm in any dimension shall be removed from site. Tree pits are to be excavated and the base broken up a further 150mm with the sides well scarified to prevent smearing. All planting the tree, taking care to avoid underground services and cables etc.
- with minimal disturbance to the rootball and well firmed in.
- Water in all trees and shrubs at the end of each day of planting.
- Maintenance
- he site is to be visited monthly throughout the year to undertake the following operations.

- Ground Preparation

# Either : for notch planting

or : for pit planting A 900mm diameter circle shall be sprayed out at each planting station using an approved herbicide at least two veeks before planting.

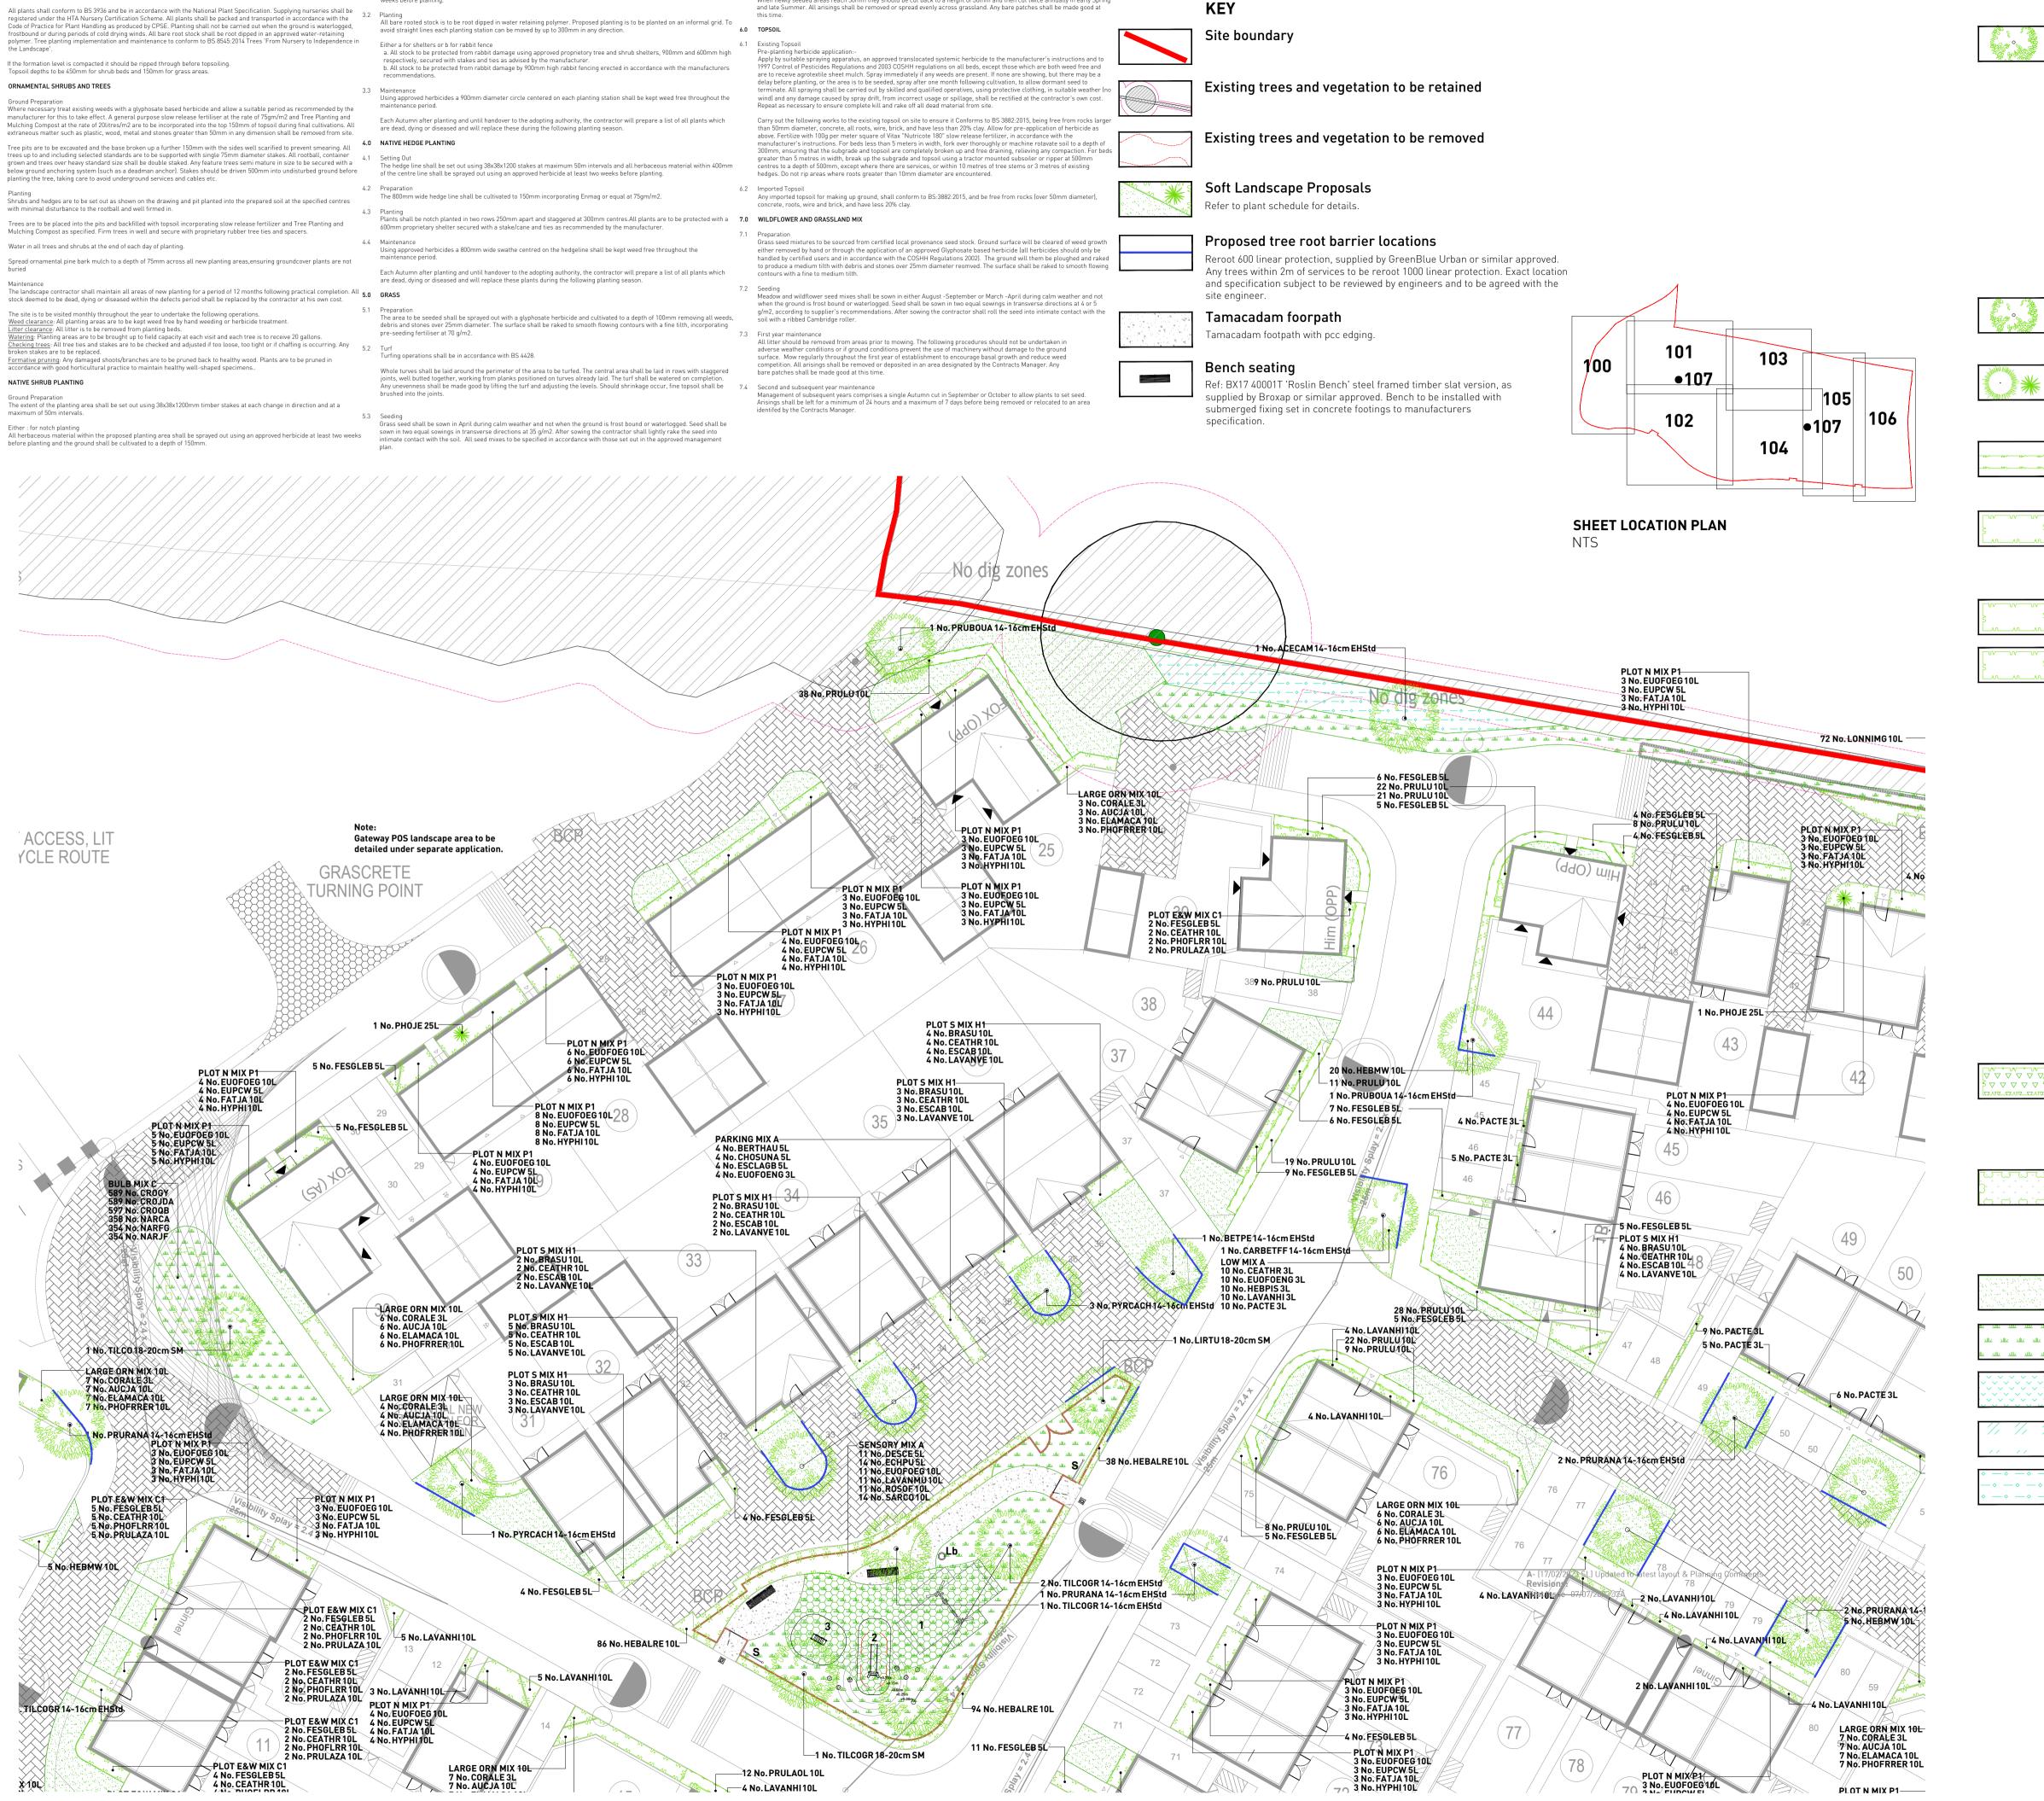

- Either a for shelters or b for rabbit fence
- maintenance period.

- 600mm proprietary shelter secured with a stake/cane and ties as recommended by the manufacturer.
- are dead, dying or diseased and will replace these plants during the following planting season.
- pre-seeding fertiliser at 70 g/m2.
- brushed into the joints.

# 5.4 Initial cut When newly seeded areas reach 50mm they should be cut back to a height of 30mm and then cut twice annually in early Spring

- this time. Existing Topsoil Pre-planting herbicide application:

- contours with a fine to medium tilth.
- soil with a ribbed Cambridge roller.
- First year maintenance bare patches shall be made good at this time.
- Second and subsequent year maintenance identifed by the Contracts Manager.
