

1 Site Plan
Scale: 1:200

Revision Notes

- P1 23/08/2023 Issued for Comment
- P2 03/10/2023 Issued for Planning

CDM Regulations 2015
Significant and non-obvious risks deemed 'difficult to manage' are identified on this drawing. Refer also to the risk register.

- DRAWING NOTES
- NOTE 1: This document is the copyright of Charlie Luxton Design
 - NOTE 2: This document must not be altered, reproduced or distributed without prior written consent
 - NOTE 3: This document must not be altered. Charlie Luxton Design accepts no responsibility for any discrepancies resulting from alterations made by others.
 - NOTE 4: Any discrepancies must be reported to Charlie Luxton Design.
 - NOTE 5: Do not scale from this document. Except for planning purposes. Used figured dimensions only.
 - NOTE 6: All dimensions must be checked on site prior to commencement of related works
 - NOTE 7: This document must be read in conjunction with all supporting documents by Charlie Luxton Design / other project consultants.
 - NOTE 8: All elements designed by project consultants (i.e. structures, civils etc.) are indicative. Check source information and revision numbers prior to commencing work on packages
 - NOTE 9: Charlie Luxton Design accepts no responsibility for the accuracy of background information produced by third parties.
 - NOTE 10: The document status 'For Construction' alone permits commencement of construction. Drawings issued for 'Information' or 'Preliminary' are for reference purposes only.
 - NOTE 11: Door and windows manufacturer to produce shop drawings for comment before manufacture. Glass specification is the responsibility of the manufacturer
 - NOTE 12: All proposals are subject to statutory approvals.
