Good Morning,

Thank you for your e-mail.

After reviewing the planning application details I can confirm the reason why we have not commented is because condition no. 35 is not a Thames Water condition to discharge. We have not requested a condition on the initial application. Therefore we have no comments to make.

I hope this was helpful.

Kind Regards,

Good Morning,

I am chasing a response for a current condition approval application at Heyford Park that was sent through for comment. The consultation request has now expired so would be grateful if you could respond asap so that I can move this forward.

Many thanks
