<b>Comments</b>	<input type="text" value="I am concerned about congestion on the Daventry road for traffic travelling from Daventry and villages along the way. Also accessing the villages and Daventry direction. Also concerned about the urbanisation of this rural area and the unsightly blot on the landscape. There is already a loss of green spaces on the other side of the road with huge buildings and messy verges and developers bit taking care of the hedges and verges by leaving metal fencing and plastic barriers strewn with no action by developers or council."/>
