Address	<input type="text" value="Cavalier Cottage,High Street,Cropredy,Banbury,OX17 1NG"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="It was always seen as the motorway being the boundary for Banbury therefore this should not go ahead and be remained as countryside. The warehouses there now should be demolished!! More importantly when the motorway shuts and where does the traffic go?? Banbury becomes completely gridlocked because of over development and no investment in infrastructure so the traffic will go up the daventry road and cut across through cropredy to get on at Gaydon, these roads are unsuitable for large vehicles that this development will provide. Also there is no need for these as there are plenty of empty units around Banbury already. It would be really helpful if someone actually thought what does Banbury need and come up with developments that benefit the town instead of destroying it to line rich ***** back pockets!!! You will have a massive brown field site when the coffee factory shuts and likely get demolished, also the arrival company that had a couple of warehouses in Banbury are leaving so that will mean more empty buildings this development is completely unnecessary and brainless!! Banbury has to stop expanding out and start looking within to make overdue and much needed improvements, like incorporating the motorway with a ring road. This development is a complete waste of money and far to destructive to the local area"/>
