<b>Comments</b>	<input type="text" value="I whole heartedly object to this planning application. Banbury has seen a huge increase in size recently due to the never ending new build domestic housing to the north, south and west of Banbury. No additional road infrastructure has been installed to accommodate the ever expanding Banbury. Having more factories and warehouse developed around the only real exit for Banbury onto the M40 makes no sense. It will clog even further the only artery for Banbury residents to get onto the M40 with even more heavy goods vehicles. Even now if we are unfortunate enough to have an RTA or even just somebody breaking down near to the M40 it causes immense congestion and traffic jams. I find the drive along Hennef way in the mornings hugely frustrating on a normal day. but the good news is that we have even more housing going up. The original warehouses that have been built already on this site remain to my knowledge empty.. just scaring the land and becoming an empty eye sore.. please no more pointless development. We are in the process of moving house within Banbury and ruled out moving to the north of Banbury solely due to the traffic congestion trying to get onto Hennef way from the Hanwell field direction. The lives of the greater shouldn't suffer just because of the greed of a few who I doubt live in Banbury. Something needs to give.&lt;br/&gt;&lt;br/&gt;Regards&lt;br/&gt;&lt;br/&gt;Stephen Kennard."/>
