<b>Comments</b>	<input type="text" value="Outline application near Huscote Farm.&lt;br/&gt;&lt;br/&gt;Firstly can I just say that it should not be possible that an outline application can be refused by the council and then be allowed to be re-submitted without changes in such a short timescale? This is a considerable waste of time and money.&lt;br/&gt;&lt;br/&gt;Again I will object to this outline application near Huscote Farm.&lt;br/&gt;&lt;br/&gt;The plan to build more warehouses on the farmland will ruin the habitat of our wildlife. Since the ever increasing development in this area I have seen significantly less wildlife while I have been out walking. Further development will have a huge detrimental impact. There are already huge numbers of large lorries using the roads in this area adding to pollution and traffic congestion.&lt;br/&gt;There are huge vacant warehouses already sitting empty in Banbury.&lt;br/&gt;More warehouses would be an even bigger eyesore to our beautiful countryside.&lt;br/&gt;Huscote farm appears to be on a higher stretch of land so this development will be more elevated than the surrounding buildings and therefore have a worse visual impact."/>
