Comments	<input type="text" value="I strongly object to this proposal, not least due the applicants abuse of process, making seemingly unchanged new applications to force objectors to resubmit objections. Presumably the applicants hopes objectors will give up.

My objections (list not exhaustive and in no particular order):

~ The application is contrary to current AND proposed Local Plans.
~ Location previously rejected by Planning Inspector
~ Other sites within existing and proposed Local Plans not yet fully developed
~ Effect of increased traffic at Junction 11, especially potential congestion caused by locating a new roundabout on A361 just metres from the existing motorway junction.
~ Loss of natural gap between Banbury and villages, with consequent impact on biodiversity/wildlife"/>
