Comments	<input type="text" value="Good evening,

I strongly oppose against this planning due to the already struggling highway infrastructure unable to cope with the constant growing number of residents and courier delivery vans clogging our roads. This would only worsen the current situation and could cause widespread chaos during rush hour not to mention the local people forced to travel further afield putting more pressure on smaller back roads adding to the deterioration of those roads. Leave the country side alone if people want to build warehouses send them somewhere else. Leave our bloody countryside alone!"/>
