<b>Comments</b>	<input type="text" value="I thoroughly object to this planning application on many levels, ranging from the eyesore and blot on the landscape the buildings will be. The loss of local natural and historical habitat. The increased traffic which is already a significant issue and also the increase in unskilled labour this proposed development will require, which no doubt will be predominantly staffed by foreign migrant workers, which is already a serious issue for those who live in the local Grimsbury area."/>
