Comments	<input type="text" value="I object to the planning submission. This has not changed or been improved since the previous failed application.

The area proposed for development of warehouses is green belt and of natural beauty.

The development of warehouses will continue the unnecessary industrialisation of the land east of junction 10 of the M40. This is rural land and a natural break between Banbury and the villages of South Northamptonshire.

The land in question is not included for development within the Cherwell District Council plan. There is also plenty of land available for warehouses west of the M40."/>
