Comments	<input type="text" value="Please do not let them build here. There are empty warehouses already in Banbury. These are unnecessary and we need rural land still in Banbury. I like to walk up this way to get some peace and separate myself into nature. I see all sorts of wildlife and it's not fair to take away their home like this. These planning permissions are based off greed not the need for this. Please please don't allow it."/>
