Address	<input type="text" value="Tite Cottage,Thorpe Road,Wardington,Banbury,OX17 1SP"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I would like to object in the strongest terms possible to this new commercial development. The warehouses built on the other side of the road are still empty and not in use and to build even more of the same on such a grand scale is totally wrong for this area. The traffic is already congested around this motorway junction and the placement of a mini roundabout on the dangerous curve of the A361 road coming off the motorway heading towards Daventry is a serious danger to motorist especially with large Lorries entering and using the exit. This is a dangerous junction as it is and this will cause more accidents. Building on this land also increases flood risk over the surrounding area not to mention the increased air pollution. The loss of wildlife has to be one of your major considerations not to allow this massive development to go ahead especially at a time when our health is put at risk from poisonous Carbon Monoxide emissions. The reason we live in this area is to enjoy the country side and cleaner air. Please do not cause irreversible damage to the area and the health of your community. Thank you for your serious consideration to reject this plan."/>
