Comments	<input development!"="" no"="" this="" to="" type="text" value="I am writing to object to the Huscote Farm development proposal. The buildings proposed would permanently disfigure ancient farmlands, as well as being completely out of scale and keeping with the rural character of the area. It would also be encroaching on heritage conservation areas in the surrounding villages. Also, what a travesty it would be to approve such needless desecration when, nearby, similar monstrously sized warehouses from a previously approved project still sit idle and empty, a demonstrably unnecessary blight on the landscape!
