URGENT: Comments for Huscote development close 19th Jan

An application for 140,000 m2 of warehousing and other commercial development off the A361 has been made and comments close on the 19th January.

This is an application to cover Huscote Farm with warehouses

Approximately 70 acres of warehousing development
Mini roundabout right on the corner of the A361 off the M40 roundabout
Pollution
Volume of traffic
Unnecessary development on the east side of the M40
Destruction of valuable countryside and fields currently used for cattle
There is way too much development happening across this region and we have to put the brakes on and revise thoughts about the infrastructure and how we can protect our countryside and wildlife.
It HAS to STOP as it's out of control
