Comments	<input type="text" value="- Would be an awful eyesore and destructive to a HUGE amount of acres of ancient farmland
- There are already warehouses built on the site opposite which remain unoccupied
- However traffic has already increased and is an issue at the M40 roundabout as you come off the A360 - sometimes queueing for 10 minutes in the morning at rush hour. A mini roundabout and huge industrial site would only exacerbate this and make getting into Banbury from villages like Wardington and Chipping Warden extremely difficult
This would hugely devalue and deface our beautiful countryside, and we would be appalled if this is approved."/>
