Comments	<input type="text" value="I object to this application for the following reasons:
This proposed development will add to the traffic misery around J11 M40 & across the wider area.
We do not need more empty warehouses.
The proposal will be taking away habitat for an abundance of wildlife.
The ancient ridge & furrow in the fields will be destroyed along with the beautiful landscape.
The flood risk will be increased.
Increased Air pollution.
Pursuit of profit overriding local & national policies."/>
