<b>Comments</b>	<input type="text" value="There are already enough large, ugly boxes built in the area alongside the motorway. I object for several reasons including:&lt;br/&gt;Extra traffic that will be produced.&lt;br/&gt;Extra pollution, including noise and possible light at night time&lt;br/&gt;Possible flood issues, the more you build on the large fields the heavy rain water will have nowhere to go.&lt;br/&gt;View and spoiling of countryside, why is it ok to keep building these enormous warehouses in that area of countryside just because the motorway is nearby. At least the motorway is at a lower level but these buildings are enormous and no effort is made to make them blend into the countryside."/>
