| <b>Comments</b>           | <input type="text" value="This development will cause a significant rise in the traffic in Banbury which the town cannot cope with. There are no safe footpaths or cycling routes meaning the best route would be by car and will cause an increased risk of accidents on already busy roads , not to mention pollution. Losing more green space to yet more warehouses in the town is detrimental to the towns existing businesses and residents"/>  |
