<b>Comments</b>	<input type="text" value="What is the advantage to the local economy of yet more warehousing when the exsisting huge units already built in that area remain unused? Too many trips along UK motorways are now blighted by these buildings. Talk about saving the planet.....encouraging more road haulage is wrong. It's the communities affected that suffer, the little hamlets, fields, wildlife,views all spoilt for what? More pollution &amp; traffic issues. Come on Cherwell District Council.....get something right. Do not approve this!"/>
