<b>Comments</b>	<input type="text" value="Damage to local wildlife and environment is unacceptable. Given the climate crisis we should not be doing more damage to our environment. Brownfield sites should be redeveloped before using green fields.&lt;br/&gt;&lt;br/&gt;Flooding in the area is always a problem and this development could remove natural flood barriers.&lt;br/&gt;&lt;br/&gt;Traffic from a361 will be made considerably worse, and it is already poorly controlled with significant queues, particularly on a morning.&lt;br/&gt;&lt;br/&gt;There are already empty warehouses on the other side of the road that have not been filled, what is the demand for these new buildings?"/>
