Comments	<input type="text" value="I oppose the plans for these buildings for several reasons;

The natural habitats of local wildlife life needs to be protected and these new buildings would further damage our surrounding habitats.

Congestion in and around Banbury is worsening, we no longer have the road infrastructure to support the number of houses and buildings efficiently.

Banbury currently has too many unoccupied commercial premises, existing commercial buildings need to be utilised.

The local ancient ridge and furrow should be conserved and protected. The countryside, fields and natural habitats around Banbury have been rapidly disappearing due to overdevelopment in the area."/>
