Proposal	<input type="text" value="Outline planning application for the construction of up to 140,000 sqm of employment floorspace (use class B8) with ancillary offices and facilities and servicing and infrastructure including new site accesses. Internal roads and footpaths, landscaping including earthworks to create development platforms and bunds, drainage features and other associated works including demolition of the existing farmhouse"/>
Case Officer	<input type="text" value="Chris Wentworth"/>
Organisation Name	<input type="text" value="Alexander Douglas"/>
Address	<input type="text" value="Mill Lane House,Chipping Warden,Banbury OX17 1JZ"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="- Traffic on the A361 and roundabout at Junction 11 on the M40 will be negatively impacted by the proposed addition of warehousing - if not the M40 itself - via trucks and employee vehicle movements
- This area already has an abundance of huge warehouses, blotting the landscape and creating CO2 and other pollution through concrete and vehicle movements
- The ecological and environmental damage resulting from covering pasture, hedgerows and trees with concrete cannot be justified. The rest of the world is busy reforesting and rewilding
- the middle of Banbury is becoming a derelict abandoned ghost town - why can't developments take place in the town to create employment for people who live there without resorting to cars for transport to out of town or rural industrial sites."/>
