Comments	<input type="text" value="I strongly object to this proposal. The site under consideration is wholly inappropriate. It lies outside of the boundaries of the local plan. The realisation of the proposal would cause extensive destruction of historic farmland at a time when it is never more important to preserve the natural environment. Further, it will cause an already existing traffic-bottleneck - the A361 access to Banbury - to become much worse, with the associated deterioration of air quality caused by the congestion. The economic gains arising would be exceedingly marginal and the proposal offers few, if any, benefits to the local community."/>
